Re: Upcoming Construction Works at the junction of Studios Road / Squire's Bridge Road / New Road

Dear Neighbour,

We are writing to inform you that we will soon be starting on phase 1 of our highways works at the junction of Studios Road / Squires Bridge Road / New Road.

You will be aware that over the past few months work has been taking place on the second roundabout just along from the new Studio main entrance. This work is scheduled to end before any work takes place on this new junction.

Offline works (construction taking place that requires no traffic management) will be starting on 17 June 2024. We estimate that the offline work will take approximately 12 weeks to complete. Traffic management will then be in place after this stage (around mid-September 2024) and will last approximately 24 weeks to ensure the safety of road users and all other stakeholders. We will keep you informed should any road closures be required.

We understand the impact that roadworks have on residents and we aim to give you as much notice as possible of any changes, so you can plan your journeys accordingly.

Normal working hours will be between 8:00 to 18:00 over the weekdays and if required Saturday will be 08:00 to 13:00. If you need to contact someone on site, please contact our manager,

Name: Desmond Kulas

M: 07718 773145

W: www.careys.co

We thank you for your patience whilst we carry out these essential highways improvements.

With kind regards,

Desmond Kulas
